OFFER OF OPTIONAL UNINSURED AND UNDERINSURED MOTORISTS AUTOMOBILE INSURANCE COVERAGES

Uninsured (UM) and Underinsured (UIM) Motorists Coverage: In accordance with the laws of **Oregon**, your policy will contain UM and UIM coverage with limits equal to the Bodily Injury liability limits of your policy. You will be charged for these limits. If you desire, you may reject the higher limits and select lower limits subject to a minimum of 25/50.

Uninsured Motorist Coverage compensates you, or other persons insured under your policy, for amounts that you may be legally entitled to collect as Bodily Injury damages from an owner or operator of an uninsured motor vehicle. An uninsured motor vehicle is a motor vehicle which either has no liability insurance coverage or is operated by a hit-and-run driver.

Underinsured Motorist Coverage compensates you, or other persons insured under your policy, including passengers within your motor vehicle, for amounts which may be legally collected as Bodily Injury damages from an owner or operator of an at-fault underinsured motor vehicle. An underinsured motor vehicle is a motor vehicle that is covered by some form of liability insurance which is not sufficient to fully compensate you for your damages. The total amount available cannot be more than the policy limit you choose for your Underinsured Motorist policy limit added to the Bodily Injury Liability policy limit of the at-fault party.
