FOR IMMEDIATE RELEASE

## RIC Insurance General Agency Hires Brittany Malkin as Business Development Manager

**SANTA ROSA, CA – November 6, 2018:** RIC Insurance General Agency, a division of Worldwide Facilities, is pleased to announce the hiring of Brittany Malkin as Business Development Manager to expand their commercial and personal lines marketing efforts, working primarily with California retail insurance agents in Orange County and San Diego.

Prior to joining RIC, Malkin worked as a California Regional Sales Executive with Distinguished Programs where she specialized in niche commercial markets and was a top producer. Having over 10 years of sales experience, she is excited to share RIC's broad product offering with her extensive retail agent network.

"We are so excited to welcome Brittany to the team—with her experience, customer relationships and energy, we're really looking forward to having her grow our Orange County and San Diego territory," says Chris Garrison, Vice President of Business Development.

Malkin adds, "The value I bring to the table is my enthusiasm and customer service. I thrive most when I am able to connect with my agents in person. I enjoy being their 'go-to-gal' for solutions and providing that extra layer of support in every deal. That's my commitment as I embark on this new opportunity with RIC!"

Outside of work, Malkin is a "Big Sister" with the Big Brothers Big Sisters of San Diego County. In addition, she is a board member for the Young Professionals Committee in San Diego, which supports the Big Brothers Big Sisters organization.
